Woodward Cleanings.

(Written for last week.)

The oyster supper given by the ladies, on the evening of the 20th, for the benefit of raising funds for furnishing new desks for the new school building proved to be quite a success, and the people of this section are very much enthused over their work. They have enough in the treasury to furnish the school complete with new furniture. The ladies' next undertaking will be to add a bell tower and bell and paint the building, for which, I must say, they deserve a great deal of credit for their untiring efforts to make this a model school building.

Mr. R. M. Brice gave a few of his friends quite a surprising treat several days ago in the way of a watermelon he had preserved from last season. It had retained its flavor to perfection. Who can beat this?

Mrs. J. D. McLure and little daughter, of Chester, are with her sister, Mrs. W. M. Patrick, for this week.

Mr. C. Caldwell, from Statesville, N. C., paid our city a flying visit last Wednesday.

Mr. Dave Mobley has gone to Montgomery, Ala., to accept a situation as salesman with Swift & Co. "Ich Dign."

Jan. 21st, 1905.

Notice.

Notice is hereby given that the health of the people of this county is in imminent danger and must be taken care of. It has been decided that every precaution be taken to prevent prolonged cases of pneumonia, grippe, etc. The best thing to do is to give a good cough mixture as soon as the cough starts. Get MURRAY'S HORE-HOUND, MULLEN AND TAR. Only 25c a bottle. At all druggists.

The Question of Latitude.

The State of Monday contained the following inquiry from one of its readers:

"E." wagers "W." that Dillon, S. C., is twenty-five miles north of the latitude line than Winnsboro is. This has been left to you to decide. Please answer and oblige.

The reply by the editor of The State was as follows:

"E." loses. Dillon is between five and six miles further north than Winnsboro.

While it must be freely admitted that it is worse than a waste of time for one to try to carry in mind the latitude of various places, yet it is very important to have the relative latitude of places well in mind. And yet it is a matter of fact that generally speaking there is considerable ignorance among South Carolinians as to the relative latitude of places in the territory suggested by the above inquiries. This is no doubt due to the general lack of information as to the geography of South Carolina. Teachers in this state can use the above little incident to advantage by giving their pupils more instruction as to the geography of their own state as well as that of the distant isles of the sea.

A Grim Tragedy

is daily enacted in thousands of homes, as Death claims in each one another victim of consumption or pneumonia. But when coughs and colds are properly treated the tragedy is averted. F. G. Huntley, of Oaklandon, Ind., writes: "My wife had the consumption, and three doctors gave her up. Finally she took Dr. King's New Discovery for Consumption, Coughs and Colds, which cured her, and today she is well and strong." It kills the germs of all diseases. One dose relieves. Guaranteed at 50c and \$1.00 by McMaster Co., Obeard Drug Co., J. H. McMaster & Co., druggists. Trial bottle free.

A Generous Orangeburg Woman.

Mrs. J. Wm Stokes, of Orangeburg, has founded a \$1,500 scholarship at Wofford college. Mrs. Stokes is the widow of the late Congressman Stokes. The founding of this scholarship is highly appreciated by the faculty of Wofford College. Mrs. Stokes is greatly interested in the education of young men and it was her interest in the education of the young men of this State that prompted her to found a scholarship at Wofford.—Bamberg Herald.

Just the Thing for Weak, Pale Children

Columbia, S. C., Nov. 2, 1904.
Dear Sir: I have been giving Dr. James' Iron Blood and Liver Tonic to my little daughter. She was pale and weak, and had no appetite. She has been benefited by your tonic a great deal, and is much stronger, eats well, and looks healthier. I cheerfully recommend Iron Blood and Liver Tonic as a splendid medicine.
Yours respectfully,
J. J. Hancock,

A MATTER OF HEALTH

Absolutely Pure
HAS NO SUBSTITUTE

[Carry Away the Song.

The little sharp vexations,
And the briers that catch and fret,
Why not take all to the Helper
Who has never failed us yet?
Tell Him about the heartache
And tell Him the longings, too;
Tell Him the baffled purpose
When we scarce knew what to do;
Then leaving all our weakness
With the One divinely strong,
Forget that we bore the burden,
And carry away the song.
—Phillips Brooks.

In Bed Four Weeks With La Grippe.

We have received the following letter from Mr. Roy Kemp, of Augusta, Ind.: "I was in bed four weeks with la grippe and I tried many remedies and spent considerable for treatment with physicians, but I received no relief until I used Foley's Honey and Tar. Two small bottles of this medicine cured me and I now use it exclusively in my family." Foley's Honey and Tar has long been a household favorite for all throat and lung troubles. Refuse substitutes. Sold by McMaster & Co.

The Hall of the Heroes.

In Sweden, in olden times, when a young man had been trained for his country's service on land and sea, it was the custom, as the first step in his education, to take him through the Hall of the Heroes. This was a great room about whose walls were paintings and statues of the men who had served their country most valiantly. An old man, the guardian of the place, met the youth, and led him from picture to picture, telling him of the brave and splendid deeds done by each hero, till at last, when the doors closed behind him, and he stood once more under the open sky, his mind was full of great purposes and ideals, his dream so to live that he might command a place among these honored names.—The New Gem.

The Best Medicine I Have Ever Used.

Columbia, S. C., Nov. 10, 1903.
Gentlemen: I have suffered a long time from chronic liver complaint, and find that Dr. James' Iron Blood and Liver Tonic gave me more relief than anything I have ever used. I recommend it to all who suffer from constipation.
Yours truly,
J. S. Shehand.
